

# While Staying at Snug Harbor

**\*Please note that our insurance does not allow pets at Snug Harbor Cabins.**

Check in any time after 2 pm.

Check out is between 9 am and 9.30 am (Only exception is during the off season)

After unloading your vehicle, please park **BEHIND** the flower barrels

- All bags of trash go in the dumpster across the street
- Life jackets are located in the wooden structure closest to the lake. Children must wear life jackets while in the boats, this also includes paddle boats.
- The fish cleaning station is located on the back side of the old pump house. There are extra fish bags in the pump house for fish parts. Please be kind to those who are staying close to the station. After cleaning, wrap up the parts and throw them in the dumpster.
- We also have the following items in the pump house
  - Extra Light Bulbs
  - Iron and ironing board (behind the door)
  - Books and magazines, you can enjoy (feel free to add or take)
  - local phone books and “stuff to do pamphlets”
- The basketball court is located across the street. Balls are kept in the Rubbermaid container.
- We have an air hose with different nozzles at the pole barn across the street, located on the outside of the building. Feel free to blow up your play toys or whatever.
- If something in the cabin gets broke, please check in with me. I have lots of “extra” supplies in the pole barn. I also have extra bedding if you need it for the futons.

**\*Note: Please return all items back to their original homes...i.e. picnic tables, grills etc.**

## Emergency Information

Here are some emergency phone numbers to reach us if you cannot find us next door:

Gary's Cell: (231) 633-0030

Sue's Cell: (231) 633-0024

Our home phone and Snug Harbor (231) 544-8117
